“ Linda & family, so sorry to hear of Bill's passing. We grew up together, played baseball, worked together at Frye's Gulf, spent a lot of time working on cars together & riding around in them when we were much younger & attempting to pave the streets of New Martinsville in black rubber streaks!

Naturally, I am going to say that Bill instigated the mischief but only he & I know the truth of it. I am keeping quiet!
Yes Bill was a great friend growing up with. I regret that we didn't get the opportunity to have an afternoon to laugh together again
