Bob was a wonderful soul. Always smiling. I remember him from Jr High. My sister Terri Kreitz Amundson was in the same grade as Bob. I was one year younger.

Bob was a great friend to my mom Carolee Kreitz when Terri and I moved away to WVU and later I ended up in Montana and Terri Kreitz Amundson married and lives in Florida. My mom died in 1986 and remember Bob visiting her in the hospital. My mom just loved Bob. I remember Bob would come down to our house and play board games with us. Terri and I moved to Moundsville when we were in grade school at Washington Lands. Terri and Bob were in the same grade I was a year younger.

I remember Bob as always smiling and such a genuine person. I wish we had kept in touch.

I don't know what made me think of him today. I googled his name and found his obituary.

I am so sorry for your loss. Bob was one of my favorite people.

My name is Lorri (Kreitz) Denton and live in Sheherd Montana. My phone number is (406) 794-1964.

Again I am so sorry for your loss.

“ Bob was my childhood friend ... boy the memories that have been flooding my mind since hearing of his passing ... playing tag, red rover, or just hanging out either at home, or Ebenezer Church... I'm sure our little tribe of friends... who have already gone before... Kevin Schwing, Sue Rine, just to name a few... have welcomed him with open arms. 😞💙🙏

I can not express how much Bob will be missed by his family. I will always remember seeing Bob on the beach with a corona in his hand looking out over the ocean. A place he enjoyed and feel that he is on that beach taking in all God's beauty. Miss you already. 💕💕
