“ *Bertha and Family,
Our sincere condolences to all of you. I'm sorry I couldn't make it to bid farewell to old "Wild Bill" as we affectionately referred to him around the asphalt plant years ago. Bill had the ability to do just about anything he put his mind to. He would always remain calm and in control when it counted most. I will offer prayers for the family in hopes of strength and peace during this most difficult time. You will not forget Bill, and I'm certain he will not forget his family. When Bill meets our Lord, I predict that he will quickly begin working quietly with the "Higher Ups" to look over the family below, and continue guiding you all in his direction. May God Bless and be with all of you.*

“ *I have known the Klug family for many years, his Aunt Catherine was one of my dearest friends along with Ag, his sister was also very special. I met Bill previously but got to know him real well as he was working in the lab. A very good kind man who was fun to be around, and the more I worked and saw him the better I liked him. I was shocked when I heard he was ill from my best friend Margaret and an extra shock that he has passed. I cannot express how sorry I am for his wife, his children, his grandchildren, his sister and to all that loved him. His presence will be missed and I will pray for strength for his family and friends. RIP Bill, God Bless. Iris Isaacs (Deaner)*
