“ *Played a lot of baseball and basketball with Eddie. We also played a lot of army growing up in the late 60's early 70's. Eddie was a good student, nice guy, and someone who always had a smile on his face. We went to school, church, and played a lot of sports together, and came from a great family. I have very fond memories of how we grew and changed into men. Bless you my friend, Dave Parsons and Family*
