“ In this photo bill tonini has all the way on the right, referenced by his nickname that my grandfather had for him "Tiny". I never got to meet Bill but I heard stories about him growing up oh, I knew that they lost touch after the war but my grandfather loved him very much and considered him a brother. I was actually able to look up Bill in late 2012 and actually got to speak to him on the phone and it was an honor. He told me how much he also loved my grandfather I'm sorry They lost touch all those years. My grandfather passed in 2005 and now I hope he's up there having a beer with Tiny! God bless you Sarah thank you for your service

“ A sad day for baseball ! "Pop's was a very special person and dedicated his life to a game that I love! I Know as a coach and a fellow umpire he will be sadly missed around the diamond. My condolences go out to Bill's family and friends. "Pops" when he would go to the hospital at Sistersville he would ask my wife to call me and say he was there and wanted to talk to me. I would always drop what I was doing just to visit with a legend !
Any baseball venue in the state of West Virginia new of Bill Tonini, and was a well respected man throughout the state. Bill I am going to miss you !

“ Please accept our condolences on the loss of "Bill". We at Valley High School and their fans will miss Bill standing behind the plate and encouraging our children to always give it their best! He made attending a ballgame a pleasure and he has encouraged at least 3 generations of Valley Lumberjacks. He was a special man and we were blessed to have known him.

Prayers for Bill's family. He touched so many lives standing behind the plate or in the field. Also remember him refing basketball in the 50s with Bud Gatin. Would like to share a story Bill told me several years ago. Any who saw him umpire Mag games know how many times Bill and Dave C stood toe to toe and nose to nose "discussing" a call. I asked Bill, after one game, what he had said to Dave after one of these heated "discussions". Bill leaned back and said "I told Dave to get outta my face, your breath stinks"

“ I am sorry to hear of your family's loss. May God's love and peace help you through his time. I do not know if you remember me; I am Carole Roberts' sister. We all spent a lot of time together at the ball fields.

“ Bill was a WWII vet, a husband, father, friend and a mentor to any who knew him. Bill meant a lot to any student athlete who played baseball in the past 40+ years in the OVAC. Catchers learned of his quick wit and passion for the game of baseball. He had many awards, PA high school soccer hall of fame, OVAC hall of fame but he was a man that the limelight did not matter to him. Bill was a person who I was so lucky to spend so many hours traveling to and from games and umpiring with him, that I cherished each and every game we got to do together. His sausage was special, his wine was amazing but Bill's wit was his best. Bill will be missed by anybody who knew him. I loved Bill because of how he could make me laugh and he and Dot always invited me into his home after every baseball game we umpired, which would number in the hundreds together (making me the luckiest umpire in the world). Many tears will be shed for "Tiny"! May God rest his soul and condolences to Dot and the family. Tim, Lisa, Parker & Peyton Blue

Bill was a special person and it was an honor to sit behind the plate with him for four years. I always joked with him about putting more weight on me than was on his own two feet. It was always nice to see Bill and Tim there to do a game together, no matter the score it was always fun and filled with laughs. We'll meet again one day!

Tim has expressed my feelings for Bill. We became friends from the first day I went to his Sports Shop and even better friends when he went to work at Mobay. My heart is filled with sadness for his family. He will be missed by me and many, many more. RIP my Good Friend.
