“ Please accept my deepest sympathies for your loss. There is a void that cannot be replaced. Our loved ones have a permanent impact on our lives and they should never leave us. Their influence is invaluable all throughout our life, so they should be with us forever. The God of all comfort wanted mankind to live forever and never experience suffering, pain and death. He sent his Son to earth to erase everything that plagues mankind, particularly death. God's Kingdom headed by Christ will establish a Paradise earth and bring our precious loved ones back again so we can enjoy living with them happy and healthy and sharing all our experiences with them, never to loss them again.

“ Dear Darlene and Family,I am so sorry! What a shock. I didn't even know he was sick. You have to say to yourself that he's away and you will see him in a week. That's what I did when my mom was killed. Please come by any time you want to talk. Again I'm so very sorry.Love, Mary Ellen

“*Darlene, and your daughters, i want to let you know that i am keeping all of you in my prayers and thoughts. Bob, was a fantastic friend and fellow classmate. I talked with him over the past few years about our class reunions. He was unable to attend, and was missed by all of us. Bob, was always fun to be around in school. He always had great stories to tell about various things dealing with farm work. I liked him. He was always someone who talked with you, no matter who you were. He will be missed. He is in Heaven with Mike Yoho, and our other friends and classmates. Darlene, take care of yourself. Know that Bob was a winner, and a great human being. It was an honor to have walked with him through life.*
