“ *The world is a little smaller now for a great man has passed on. Most people knew him as Pete but to me he was a father, a friend, a hero, a role model he was dad. No matter what he put me first never asking for anything in return. Dad knew the true meaning of love because it was truly unconditional. He was always there for me no matter what laughing and picking at me for the things I did but never judging. He taught me the things I needed to know in life and some I didn't. I never realized how much I needed him until he was gone. I have no one to ask for advice or to go to when I just need to talk. The pain of missing him is almost too much to handle I am lost and don't know what to do or where to go and I am praying for my dad to come save me but it will never happen I am alone in this dark place and the one thing I need is my father..... I WILL ALWAYS LOVE YOU DAD*
