“ Julianna was a light that shined bright and continues to do so. She
is loved and missed by all. She has two parents that loved and
cared for her deeply. You were chosen for a reason. A big sister
Hayle who watched over her and is now being watched. We will
never forget your smile or laugh so many people were touched by
you in such a short time. We will be together again in heaven. You
have alot of paps and grams taking care of you till we meet again.
Love to Trish and Allen and Hayle

“ *Juliana, I was so glad I was priviledged to meet you. You have been such a blessing to so many people and I pray that we all learn from you how to bless others. LOVE never fails and you certainly fulfilled your purpose of sharing God's love to your family and others duringi your time here. Your family will miss your sweet face for now, but they will take comfort in knowing that they will see you again. Rest in Christ's arms until then.*

The Bible says in Matthew 18: 2~4 I tell you the truth, unless you change and become like little children, you will never enter the Kingdom of heaven Love Pastor Mike, Cheryl, Anna and Emily Shank

“ *Trish and Everett: Never in my life have I seen a young mother & father pull together & be so strong, determined, & loving as I have seen you. You gave your daughter a wonderful loving family. It took a very special mother & father to give the love & care that Julianna needed. We don't know the plans that God has for us. I do know that through God's grace, He gives us strength to go forward & do the right things that are so dear in our hearts. He gives us a strength that we never knew we had and I saw it in both of you. Trish, Everett, and Hayle, we are all so sorry for your loss! Although Juliannas' time with us was so very short, she has given all of us a lifetime of wonderful memories. Julianna, & her parents, have taught us to love, no matter what. She has given us strength and courage to go on even when times are unbearable. As Julianna sits in Gods' loving arms in heaven, we know she is safe and can play and be herself. She gave us all the gift of "Hope". Love, Aunt Lisa*

“ Trish, Everette, & Hayle our thoughts and prayers are with you in your time of sorrow. Losing a child will be the hardest thing you'll ever have to go through in your life. Just remember the great times you spent with your precious Julianna. She beat her odds just so she could spend as much time as possible with parents and a sister who loved her so much. She is now in God's arms at peace and without any pain. You will never forget your precious girl, everytime you remember things she did to make you laugh, you see a beautiful angel, or just by feeling the wind on your cheek and knowing that her love is spinning around you each and everyday. Your time will come to spend eternity with your special little girl and she will be waiting with lots of love. God Bless you all and let God guide you in your time of grievance. Love to all of you.

“ Julianna Hope; The day you were born we knew you were special, but time showed us just what a special Angel you are. You gave us Hope and faith when we didn't know what to do. Heaven is having a celebration today because God has taken you into his arms and showed you the blessings He has for you. Nanny is holding the baby she never got to see and one day we will all be together again. Trish and Beanie; you are the strongest people I have ever met . God gave you a journey that He knew only the two of you could handle and He knew you both would do right by Him and with Julianna Hope. Hayle you are the best big sister in the world. You took great care of Julianna. We love you all so much! Grandma

“ When I prayed for Julianna, I would ask God to let her be a witness of His love during her time on earth. She touched the lives of many during her life, and God has welcomed her back into His arms. Your family will remain in my prayers as you go through this temporary separation from Julianna.
